THE GOSSIP COLUMN-

With Malice in Mind
-by the Supp. Scriber

Well, well, how time flies--257 more days until summer vacation, and it seems as if school started two weeks ago.

Now, joking aside, it isn't so bad to get back to class after poison ivy and insect bites from love-bugs to mosquitoes until one feels more like a mountain range than anything else. Nope, it isn't bad, --or is it?

Glancing through the pages of The Ramsey Comic Book, we see these comics:

Buzz Wheeler.....Superman
Jay Ocken.....Lil' Abner
Dick Casin.....Dagwood
David Zikin.....Fat Stuff
Tom Landstrom.....Skeezix
Gordon Lindholm.....Baby Dumpling
Ken Linwick.....Terry
Mary Palm.....Winnie Winkle

Tom Dalby went to visit the San Francisco World's Fair and also his brother.

Gene Bennett spent one month in California last June.

Joan McGavern spent three months at Gull Lake. Still like St. Thomas, Cavey?

There's a reward of 1,578,567,493,411,279,779 pesos (two cents American money) out for the person who, in algebra class, when asked to name one of the most important electrical inventions that would be hard to get along without, contributed "Slot machines!!!???"

SCIENCE DEPARTMENT

Blame Eugene Bachman for this one (he must be in the clothes pin business).

"I just read in the newspaper about a new invention to look through walls."

"No! What is it?"

"A window."

Jerry Smith, 305, 7B5, likes art because he thinks he's going to be an art critic. (I'm glad I'm not an artist.)

This winds up our side, except for a suggestion. You were a seven bee yourself, and so help them.

Here are a few flashes that flitted in from the "Supp" box from we to you. Greetings to all - newcomers and old. Today, we specialize in seventh and eighth grade news.

MY FIRST DAY AT RAMSEY

The first day I came to school my knees were shaking, but, after I had been here awhile, I soon got used to it. When I was in grade school, it was sort of tiresome. But in Ramsey, I can keep alive anyway. I find Ramsey is o.k.

--Lyle Hanson, 7B2

A TRIP TO COLORADO

Last summer we went West to see my cousin Leo. He owns a big rodeo. The event I liked best was the bull-dodging. It was all so perfect. We all want to go back again. --Sue Elliott, 7B2

MY FIRST DAY

The first day at Ramsey I was lost three times and boys tried to sell me tricks. One boy said this is Washburn and the other school is Ramsey. But now I know my way around.

--Ernest Ferris, 7B2

My first impressions of this school were that Ramsey was too big for me and I just didn't belong here. Now I'm starting to get used to it.

All my teachers are just swell and I hope to pass through all my grades easily.

--Jack Frederickson, 7B2
